

SKY VALLEY & CALIENTE SPRINGS RESORTS
POLICY PROCEDURE FOR USE
OF RESORT HALLS AND ROOMS

*As a resident of the park you have access to the park facilities for free. However, the halls are set up for planned activities and for Chapel services. If you leave the hall clean and as you found it, you will get your damage deposit back. If it is not left as it should be, the men who do the clean-up should be reimbursed for their time.

*We request a minimum \$200 damage/cleaning deposit to assure the hall is left as you found it.

*You are responsible to find your own musicians and sound booth personnel, from approved list. Each Chaplain, musician or sound person should be given a remuneration.

*You are responsible (if there is food) to supply all the plates, napkins, punch, coffee, cake or whatever else you are serving.

*You are responsible to clean the floors (even washing if necessary) and put the hall back like it was when you came in. If the janitors come to clean, they will be paid \$30 an hour, which will come out of your deposit.

*The park can get ladies to volunteer to be servers for your program. However, it is not their responsibility to clean the floors, etc. when the event is over.

*There will also be a time frame for the use, so other activities can use the hall as planned. The hall will be available 1 hour before the program or earlier, if requested. Please adhere to the time frame.
